ERS AND THIEVES!

SHAMS! SHAMS!

Oh, the empty, tinkling, brazen Our enlightenment, but the baleful when nations shall not learn war any jack-o'-lantern, telling of stagnstion, decay and quagmires beneath; only the fitful rocket's glare, casting a brimstone radiance on the blackness all around. Our polish and around! refinement, the bloomy rind of Dead-Sea apples, enclosing in rosy beauty the ashes and worms of rottenness. Even our religion, too often the gilded mantle of selfishness and lust; the green moss and fragrant violets, that clothe the "dead men's bones and all uncleanness" of a moral All Europe has been, for fifteen

reigns of long-hostile realms have been galivanting and hobnobbing in every capital. Fetes, expositions, gorgeous receptions and reviews, have followed each other, like scenes in a magic-lantern with the world for its canvas ,and sun, moon and all the heavenly host for illuminators. The Czar of Russia disports himself in the palaces of Kaiser Wilhelm. Eugenie is the guest of Victoria. Francis Joseph bankrupts Austria to entertain, with a magnificence that would have busted the exchequers of Olympian Jove and all his associate gods and goddesses, every other prince, potentate and avel dominies beneath the snicker. wallows in celestial debauch and plutonian filth from Constantinople to St. James. Myriads of fatted calves are slain. All creation seems one grand, glorious, brotherly handshaking, bugging and outgushing of alobbery affection. Holy-eyed nincompoons point to it, and enivel of the beauties of our civilization-the toning down of old animosities-the sweeping away of barbarous antipathies and prejudices-the universal

reconciliation-and the millennial Bah! shams! shams, all! Today, right in the midst of this wide, long, fraternal bumfuzzle, the whole earth rings with the clamor of coming slaughter! Mighty forges are rushing, day and night the death - foretelling preparations. England is fitting out her navy, testing new cannon and steel-plated armor, buying powder, gun-cotton and lead ;-and assuring everybody that she is earnestly, tenderly, for peace. France is straining every nerve in her wonderful empire, to pay off her German indemnity, pushing every manufactory of arms and munitions, and with lightning-like rapidity organizing and training a new host of 800,000 men; -and desires it understood that she is always for peace. Prussia is converting all the metal of Krupp's giant founderies into enginery of hell, daily drilling her countless legions, strengthening her border

Russia is draining the storehouses of every land upon the habitable SURGEON DENTIST, globe, of artillery, breech-loading rifles, equipments and provisions, and pushing her barbarian hordes Persons knowing themselves indebted to far down towards Persia and India: DENTIST. -and begs to state, that she is em-
